

Costume Pictures

Sunday, May 5th.

We will be having "Costume Picture Day" at the studio! Costume order forms will be sent home as soon as we receive them from the photographer.

Bring the completed form on picture day.
(There may be a link to pre-order before picture day.)

CLASS PICTURE TIME: _____

Remember that your dancer is to **bring the costume to the studio in the bag provided** (wearing tights under their cover up with no underwear). Please arrive early so that they can get dressed. **We do not wear costumes out in public.** Be **ON TIME OR EARLY** and have your dancer's hair pulled up in a clean bun. We will have dressers at the studio to get your dancers in and out as efficiently as possible. Each class will have 20 minutes from start to finish – if you arrive late, we cannot guarantee your dancer will be photographed. We will do the group picture first and then singles so that we can get them back into their street clothes to go home.

DO NOT MISPLACE THE COSTUME BAG THAT YOUR DANCER'S COSTUME CAME HOME IN. THIS IS THE BAG THAT ALL DANCERS BRING TO THE SHOW WITH COSTUME AND SHOES INSIDE!

Costume Hand Out

Costumes and Tights will be sent home next week. Please have your dancer put them up somewhere safe where they cannot be played in or damaged.

We ask that after the show you keep your dancer's costume in a place they cannot be damaged. We know that they are yours, however as most of you know we work very hard to keep the cost down for the holiday shows by borrowing costumes for different classes. Your dancer will possibly be wearing someone else's old costume that you would want to be in good condition as well. 😊

Spring – 2024 Newsletter

Summer/2024-25 Dance Information

Summer Dance Camp, Summer Classes and 2024-2025 classes are open and available online for registration... class space will be limited for our younger dancer's camps and is open to students other than those currently enrolled at SDS. Take advantage by registering before the first deadline of June 1st to receive the "early bird" discount.

Please remember that your dancer is not automatically signed up for the next season. You must go in and register for next year's classes if they are returning.

Fundraising Guidelines going Forward:

1. All Fundraisers Must be Totaled when turned in.
2. One check is to be turned in for each fundraiser. Not multiple checks – you are to have everyone write you a check or pay cash and then turn one check in to SDS. (This is not a new rule.)

Going forward we will be handing back any fundraisers that do not comply with these guidelines. Once they are completed, they can be turned back in.

We are looking forward to another great performance in June!
